

DECLARATION

1. We, In-San Kim and Byung-Chae Cho are co-inventors named in the above-referenced patent application.

2. It is our understanding that the pending claims of the present invention are same with the literature of Kim *et al.* (Plastic and Reconstructive Surgery 2002(May), 109(6), 1966-1977) or motivated thereby. The other co-authors of the identified literature (Jae-Woo Park, Ick-Chan Kwon, and Bong-Soo Baik) are not co-inventors of the subject matter claimed in the above-referenced application in deed, and merely worked under the supervision and direction of the inventors.

3. We hereby declare that all statements made herein of our own knowledge are true and that all statement made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
